

Rachel's Women Center

759 Eighth Ave.
San Diego CA 92101
619-696-0873

Rachel's Women Center is an emergency and short term shelter for homeless women and their children. Case management and support services provided:

- * Rachel's Women Center is the only daytime shelter for homeless and low-income women in San Diego and San Diego County.
- * Open 365 days per year.
- * House of Rachel, established in 1980, was the first transitional residence for homeless women in San Diego County.
- * Current target population is women over 50.

San Diego Brush Whackers supports Rachel's Women Center. Our members collect shampoo, cream rinse, lotion and toiletries throughout the year to donate. We also give a monetary donation once a year.

Another way we contribute is our "Panty Raffle", which is held at our monthly Paint-Ins. One of our members paints something of their choosing to be raffled off. Attendees of the Paint-In, if they want to participate, bring packaged ladies panties and/or sox to receive a raffle ticket for each item. We draw from those tickets and there is one lucky winner of the painted piece. All of the items collected are taken to Rachel Center.
