

IT'S SUBMISSION TIME!

It's time for the San Diego Brush Whackers to begin accepting submissions of projects for the next painting season – January to November 2023.

If you have a favorite artist, a special technique, or an original design that you'd like to share with our club members, now is the time! Our Paint-Ins are held on the 3rd Saturday of each month 9am-3pm (excluding March, September and December) at the St. Madeleine Sophie Center in El Cajon. Teachers earn \$20.00 per student.

The membership will vote on projects, online or in person at Autumn Get-Away. Should you wish to submit, please complete the submission form below and mail or email it, along with your pictures or JPEG's to the Program VP, Carol Wolfe wolfepaints@gmail.com by August 15, 2022. Please also cc: raymascribes@hotmail.com

We would love to have you submit, so please think about teaching for the Brush Whackers. Teachers will be notified in Sept. 2022 as to the outcome of the voting. If you have questions, please contact Rayma Stewart 619-410-7122
